Empathy Map

Persona: **Asha, 19, second-year engineering student preparing for semester exams (primary user of EduGenie)**

SAYS	THINKS
- "I understood nothing from that chapter." - "Can someone explain this in simple words?" - "I need a quick summary before the exam."	- "If I do not understand the basics, the rest will not make sense." - "I have too little time to read everything." - "Am I actually ready for the test?"

PERSONA: Asha <i>(Time-pressed student who learns best from short explanations, examples and practice questions)</i>

DOES	FEELS
- Searches the same topic on several websites and videos - Copies notes into a document and tries to shorten them - Asks friends or seniors to explain - Looks for old question papers to practise	- Anxious before exams - Frustrated by long, complicated explanations - Overwhelmed by too many resources - Confident when she can answer practice questions correctly
